RE: Letter of Recommendation

Dear Chuck:

Please accept this letter of recommendation for future clients.

I have previously purchased a King Air C90A from C&J Aviation. As a new buyer to this market, Chuck Smith made my purchase seem effortless. He was hands-on through the pre-buying, obtaining insurance, my training, and ongoing consulting. I purchased my airplane over 6 years ago and I still call Chuck for advice and he is extremely knowledgeable in solving problems.

I would highly recommend C&J Aviation for your next purchase. You will not be disappointed.

Sincerely

Dale J. Van Dellen
